

# Communication Trail

## 2019

Thank you for your interest in our Communication Trail.

Many of the students at New Siblands School have communication difficulties and Makaton is a really powerful tool to help make the world more accessible to them.

To get the full benefit of the trial you will need to download a QR reader from your app store. That will allow you to view videos that will help you to learn a range of signs.

If you are worried about your data usage all videos can be viewed via a computer from the main Communication Trail web page.

You can get to that page at [www.newsiblands.org.uk/communication-trail](http://www.newsiblands.org.uk/communication-trail) or by scanning the following QR code.

All completed entries can be returned to either Finishing Touches or Thornbury Library by Friday 6th September and correctly completed entries will be entered into a prize draw.

Number	Location	Street	Word
