

Hello from all the staff at New
Siblands Secondary School

You will be coming back to school soon
and we all can't wait to see
you

You may like to count down the days on this calendar with an adult in your home.

You could colour in the days as they go by, using a different colour for the day you are coming back to school.

27	28	29	30			

School will be a little bit different, but
don't worry you will be ok

All the staff here will look after you
and keep everyone safe

This is good

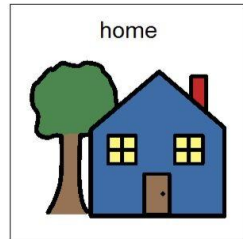

Some staff will wear masks and aprons

You can wear them too if you like

We need to keep everyone safe in school, the same as you have already been doing at home.

Well done!

You will also have your temperature taken in school

This is good

We will have different groups of classes working/playing together as we can't have a lot of people in 1 place at a time. Your teacher will tell you all about this when you come back to school.

We will all be safe and happy

We look forward to seeing you soon
