My name is Nicola Moss and I work on the secondary site, teaching Emerald Class. I have just taken on the role of 'Learning Continuity Leader' as part of the leadership team and will be overseeing the school's supported home learning offer. Thank you so much for your patience in the last few days as we completed risk assessments, deployed staff and adapted our plans. These are extremely challenging times for us all and we are grateful for your understanding as new ways of working have been put in place.

Supported Home Learning Teams are now in place and will be getting in touch with you over the next few days with individualised weekly timetables of remote learning activities. This will include opportunities to join with peers in virtual assemblies and group sessions, as well as videos and resources. Although your home learning team may not be led by your child's usual class teacher, there will be at least one familiar adult in the team. A member of the team will be in touch with you weekly on the 'phone and you can also email or call school should you have any other queries in the meantime.

We understand how hard this situation is for you all and I would like to reassure you that New Siblands is still here for you and your child, whether they are on site or at home.

Nicola Moss
